VEGETATION

Access permitted within managed controls, for example, local bylaws.

In Scotland, everyone has access rights in law over most land and inland water, provided access is exercised responsibly (Land Reform (Scotland) Act 2003). This includes walking, cycling, horse-riding and water access, for recreational and educational purposes, and for crossing land or water. Access rights do not apply to motorised activities, hunting, shooting or fishing, nor if your dog is not under proper control.
